- 2) Games will start at the scheduled time, or upon completion of the preceding game. Game time is forfeit time.
- 3) In instances where a preceding game was completed prior to the expiration of the time limit, teams should be present and ready to play within 10 minutes. No game will start before its scheduled time unless both teams agree to start early.

Minimum Number of Players to Play

- 1) It is the responsibility of the Site Supervisor to declare any and all forfeits for insufficient numbers of players.
- 2) Non-CoRec teams must have a minimum of 8 players necessary to start the game with a minimum of 9 players declared on the lineup card.
- 3) CoRec teams must have a minimum of 8 players (4 males and 4 females) necessary to start the game with a minimum of 10 players declared on the lineup card.
- 4) At game time, a team with 8 players or less will automatically be assigned as the visiting team.

 - a. Example: The non-CoRec lineup must declare at least 9 players. If a team starts the game with 8 players, an out is recorded at the bottom of the batting rotation for each player absent from the number declared. When additional players arrive, they must be inserted into the game and placed at the end of the batting order. If a tenth player arrives, that player becomes a substitute.

Optional Batting Lineup

- 1) Teams will be permitted to insert all their players into a continuous batting lineup. If you wish to bat your bench, you must notify the plate umpire when you submit your lineup. Once the game starts you cannot go from a set 10 player lineup to a continuous lineup (bat your bench). Batting your bench is only allowable with a minimum of 12 players. When batting the bench, no substitutes are permitted. Recreational teams are strongly encouraged to bat their bench during league play.
- 2) If you start with the entire team in the lineup (bat your bench), you should finish with the entire team in the lineup. In the event of an ejection, an out will be recorded in the ejected player's spot at bat. Upon the second ejection the game is forfeited. (See ASA Rule 5, Section 4 regarding forfeits).
 - a. Example: 15 players show up to play. All 15 players will bat continuously with free defensive substitution allowed.

Scorekeeping

- 1) Scorekeepers will not be provided by Bloomington Parks and Recreation for Adult Softball league play.

Substitution

A starter may re-enter the game once, provided:

- 1) The player must occupy the same position in the batting order.
- 2) In the case of player injury, a substitute who has already played may re-enter in the injured player's place to avoid forfeiture. If there is the possibility of more than one substitute, the opposing team may pick which substitute should re-enter the game.

Courtesy Runner

A courtesy runner will be allowed after the batter-runner becomes a runner. Only one courtesy runner may be used during a team's turn at-bat. The courtesy runner may be anyone listed on the team's lineup card, including substitutes. If a substitute is used as a courtesy runner, that substitute is not considered to have been in the game. If the courtesy runner is to bat while he/she is on base, the courtesy runner will be removed from the base, an "out" will be declared, and the courtesy runner now takes his/her

turn at bat. If the third out of the inning is due to the removal of a courtesy runner, that individual will lead off the team's next turn at bat.

Pitcher struck by batted ball

In the event a pitcher is struck by a batted ball and has to leave the game due to injury, the bat involved in the incident will be immediately retrieved by the umpires and provided to the Site Supervisor. The bat will then be inspected by the League Commissioner and/or ASA Region Umpire in Chief to determine if it has been altered. If the bat is suspected to have been altered, it will then be forwarded to the ASA National Office for testing. The player using the bat may face temporary suspension from league and local tournament play pending resolution of the inspections. The bat will not be returned to the owner until inspections have been completed. Should the bat be determined to have been altered, the player using the bat, and the owner of the bat, will be suspended the remainder of that year and the following year from participation in any Bloomington Parks and Recreation Softball League. The ASA National Office may enact further suspensions of the player and/or owner of the bat.

Players should be aware that users of an altered bats have been held civilly liable for injuries sustained by a player as a result of being struck by a ball batted by an altered bat.

Home Run Rules

See League Rules Matrix. Home run restrictions apply only to over the fence home runs. No "one-up/progressive" provision is allowed. Players will not run the bases. All balls hit over the fence in excess of the listed limits will result in an out declared on that batter for that turn at bat. Teams are responsible for replacing balls that are hit over the fence. Teams are to replace the ball they hit over the fence with an acceptable ball; brand, size, cover, COR, compression and condition. The COR and compression numbers must be readable. COR/compression numbers for 12" are .52/300 and .44/375 for 11".

Stealing

See League Rules Matrix.

ASA Strike Mat Rule

See League Rules Matrix. For more information please refer to the ASA Rule Book, Rule 1, Strike Zone, Entry C. A (17" x 32.5") rectangle, which includes the plate and the plate extension (mat). Any legally pitched ball not swung at that lands on any part of the plate or mat will be rule a strike regardless of where the ball crosses the batter's body.

[New 2016] Leagues using the Strike Mat Rule will have only one umpire assigned to officiate the game.

Specific CoRec Rules

- 1) Men's at bat-- See League Rules Matrix. In Weak Hand Leagues men must bat opposite their natural hand. If an opposing team wants to challenge the natural hand of a player they must inform the umpire. The umpire will inform the questioned player to switch to the other side to bat the rest of the game. No additional switching of that player will be permitted.
- 2) The batting order must be alternated, i.e., male bats then female, then male, etc.
- 3) 2 males and 2 females must play in the infield and outfield and may play any position. The pitcher and catcher must be opposite sexes.
 - a. Exception: When starting a game with less than 5 males or females, at least one male and one female must play in the infield and outfield. The pitcher and catcher must be opposite sexes.
- 4) A male must be substituted for a male and a female for a female.
- 5) ANY WALK TO A MALE BATTER WILL RESULT IN A TWO-BASE AWARD. The next batter (a female) will bat.
 - a. EXCEPTION: With two outs, the female batter has the option to walk or bat.
 - b. NOTE: Should the female batter runner-pass a male batter-runner when choosing to walk, no out shall be called during the dead ball period.
 - c. A male batter-runner advancing to second without touching first base shall be called out if properly appealed.
- 6) Sliding is permitted. However, please be careful to slide only to prevent injury or interference not to cause injury or interference.
- 7) A game may start with no less than 4 males and 4 females. An out is recorded for every player less than 10 in a game. In the event there are an odd number of male or female players, an out is recorded when the same sex bats consecutively. CoRec teams may bat their bench providing there is an even number of male and female players. CoRec league teams are strongly encouraged to bat their bench.
- 8) When males are at bat, a 12" ball will be used.
When females are at bat a 11" ball will be used.

SECTION 8 – END OF GAME

Inclement Weather

The game day Site Supervisor and umpires together may make a decision to postpone or cancel a game in progress due to inclement weather (lightning, rain, etc.). If lightning is identified, play will be suspended for 30 minutes provided there is no additional lightning sighted. Each bolt of lightning restarts the 30-minute delay period. In the event of cancellation due to weather, a game is declared complete if five or more complete innings have been played, or if the team second at bat has scored more runs in four or more innings than the other team has scored in five or more innings. In all situations, the Sports Program Manager and/or Sports Coordinator are contacted before a final decision is made.

Incomplete Game

Games that are not declared complete (regulation) will be replayed beginning at a later scheduled date.

- 3) Forfeit fees may be paid at Twin Lakes Sports Park. If a team fails to pay the forfeiture fee before its next game, that game will be declared a forfeit.
- 4) A team who forfeits two league games during the regular season is subject to dismissal from the league.
- 5) Forfeit games are scored as a 7-0 result.

SECTION 9 – SPORTSMANSHIP/PLAYER BEHAVIOR

It is the responsibility of team Managers to insure that all players have read and understand the provisions of these rules and regulations and those of the Official ASA Rule Book. Ignorance of these provisions is not an excuse.

Player Conduct

- 1) Bloomington Parks and Recreation operates a zero tolerance league with respect to unsportsmanlike conduct before, during, and after games. This includes vulgar language and verbal abuse to our staff. Conduct in these categories constitutes ejection without warning. A cornerstone of this program is a clean environment; therefore umpires are instructed to issue ejections on audible obscenities. Please notify your players of this policy before the season starts.
 - a. This handbook is considered a written warning of this policy.
- 2) Any umpire or Bloomington Parks and Recreation staff person is authorized to eject any participant or spectator that disputes the accuracy or judgement of the officials, engages in unsportsmanlike conduct, or violates all park and departmental policies/rules and regulations.
- 3) The manager of the team affected shall be responsible for the removal of the ejected participant from the game. The ejected participant must exit to at least the parking lot. The site supervisor will assist in this removal if necessary. If the offender fails to leave within two minutes from issue of the ejection, game officials will award a forfeit to the opposing team.
- 4) An offending team that accrues a second ejection within any one game results in a forfeiture of that game (this includes traditional or optional batting lineups) regardless of the availability of a substitute.
- 5) Any situation involving participant and/or spectator misconduct shall be referred to the League Commissioner for possible further administrative action; even if the offending parties were not ejected at the time.
- 6) A participant who assaults another participant, spectator, official or staff person, will be dismissed from the league. Violent threats or verbal attacks are considered assaults.
- 7) Any player who throws a bat that may endanger other participants or spectators will be ejected from the game. No prior warning from the umpire is necessary. The batter shall be declared out and runners may not advance.
- 8) No participant or spectator shall be allowed on the premises in possession and/or under the influence of alcohol or drugs.
- 9) City ordinance 03-06 bans smoking in public places and places of employment within Bloomington. Smoking is not allowed at Twin Lakes Sports Park.
- 10) No pets are allowed inside the fenced property of Twin Lakes Sports Park per city ordinance.
 - a. Exception: Service dogs are allowed if properly identified.

- 11) No participant or spectator is allowed in the Umpire Room. Violation of this rule will result in an automatic suspension from the Adult Softball Program.

Suspensions

- 1) Anyone ejected from the game by an official or staff will automatically receive a minimum one game suspension; to be reviewed by the League Commissioner for possible further suspension.
 - a. Additionally, if the participant is rostered with another any other teams, the player is also suspended for that team's next game.

Casual Profanity Rule

Twin Lakes Sports Park is intended to be a place where families can enjoy an evening of softball entertainment without exposure to filthy, humiliating and embarrassing language and gestures. To that end, we are implementing the Casual Profanity Rule. In general, this rule pertains to expletives (vulgar, profane or offensive language which is verbal unsportsmanlike language not directed at the umpires or opposing players. This language is usually uttered by a player out of frustration and loss of self-control.

- 1) The umpire has the authority to assess one "out" per play against the offending team for profanity used by a participant or team representative who is on the field or in the dugout. If, in the opinion of the umpire, these words are audible to the umpire and surrounding players or spectators to the extent that they detract from the values of softball competition based on good sporting behavior and fair play, the umpire may assess a "Casual Profanity Out".
- 2) Actions of participants during the team's final out of their time at bat or prior to them taking the field on defense shall be carried over to the team's next time at bat. Actions of participants during pre-game activities, which occur after the umpires have entered the field of play, will be enforced during that team's first time at bat.
- 3) All outs (charged either while of offense or defense) will be assessed against the offending team during their time at bat.
- 4) Only one casual profanity out may be assessed against a team per play with a maximum of two per time at bat or in the field. Incidents of vulgar or profane language exceeding these limits will subject the individuals involved to ejection from the game for unsportsmanlike conduct.
 - a. A player ejected from the game for exceeding these limits will not have a casual profanity out charged to their team. The casual profanity out will be assessed as a team out and will not affect any action of a batter or base runner. With one exception, no player will be refused a turn at bat or removed from the bases because of a casual profanity out. Casual profanity outs are administrative outs, similar to those charged because of failure to wear team colors.

- 5) If the team is at bat and unsportsmanlike words are used by a member of the offensive team, a casual profanity out will be declared. If this out is the third out of the inning, the inning is over and the player at bat at the time of the out assessment will be the first batter the next time the team bats.
- 6) If the act is committed by the player at bat, the player will be called out and the player's time at bat is completed. This is the only time a player will be removed from play for casual profanity.
- 7) If the act is committed by the defensive team, the casual profanity out will be assessed during their next time at bat (i.e. Their time at bat will be reduced to two outs or one out depending on the number of casual profanity violations that occurred).
 - a. No defensive team will be assessed more than two (2) casual profanity outs in any half inning. Defensive players who continue to engage in profanity after two casual profanity outs are assessed are subject to ejection.
- 8) Casual profanity outs will be administered during the next dead ball. A delayed dead ball signal will be made by the umpire.
- 9) If the violation occurs in the bottom of the last inning, where the fielding team may not bat again, the ejection rule for unsportsmanlike conduct will be applied. If a team has an eligible substitute, the game may continue.
- 10) A game may be ended on a casual profanity out made by the offense.

SECTION 10 – PROTESTS

Protests

- 1) [NEW 2016] Any team not providing a representative at the Managers Meeting at the beginning of the season will forfeit its right to file a protest.
- 2) Only the team manager may discuss a protest with the umpire. Anyone else may be ejected for interference.
